

Accidental Cannabis Ingestion

The Illinois Poison Center reported a **305% increase** in edible cannabis ingestions by kids following the legalization of recreational cannabis in Illinois.

FACT: 51% of Chicago parents did not know that adults are not permitted to use cannabis near anyone who is under the age of 21.

WHAT CAN YOU DO?

1

Do not use cannabis products around children.

- Children learn what is safe to eat by watching adults.

2

Store all cannabis products out of sight and out of reach of children and pets.

- Keep cannabis products in a locked cabinet or box so teens and visitors cannot access.

3

Call Poison Control or 9-1-1 if you suspect a child has ingested cannabis products.

- Poison Control - 1-800-222-1222
