

# KEEP SHOWING UP

They're Still Growing Up

***You've covered the ABCs  
and 123s. Now it's onto the  
big kid stuff.***

***Talking about  
not drinking alcohol  
with your teens is just as  
important.***

# KEEP SHOWING UP

They're Still Growing Up

***Your voice matters! Teens care about what you think...even if they don't show it.  
Make sure your teen knows underage drinking isn't allowed.***

# KEEP SHOWING UP

They're Still Growing Up

***Your teen is looking to you for advice—even if it looks like they're staring out the window. Share how underage drinking can harm their developing brain.***
