

KEEP SHOWING UP

They're Still Growing Up

***You've covered the ABCs
and 123s. Now it's onto
the big kid stuff.***

***Talking about
not drinking alcohol
with your teens is just as
important.***

KEEP SHOWING UP

They're Still Growing Up

***Your voice matters! Teens care about what you think...even if they don't show it.
Make sure your teen knows underage drinking isn't allowed.***

KEEP SHOWING UP

They're Still Growing Up

***Your teen is looking to you for advice—even if it looks like they're staring out the window.
Share how underage drinking can harm their developing brain.***
