

**TODAY IS
POSSIBLE
BECAUSE
NALOXONE.**

"I thought I would always be in despair and my son would only know my disease. My life today is drastically different. I am married. I am a parent. I am a recovery coach. Through Narcan® and treatment, I now have the capacity to support others on their healing journey."

*Jackie H.
Saved by naloxone 3 times*

Naloxone is available without a prescription from participating pharmacies and through grant funded programs.

Visit helplineil.org/app/stopoverdose

Narcan® is a brand name for naloxone, an opioid blocker used to reverse opioid overdose.
