

## FIND THE FACTS

Most Illinois eighth graders don't drink alcohol.  
The risks of underage drinking are real!

NOT  
A  
GAME

## DOUBLE DAMAGE

The brain is the body's control center.  
Underage drinking damages  
both the brain and body.

## SEE YOUR SUCCESS

Alcohol makes it harder to learn and do well in school. That's not a smart move!

NOT  
A  
GAME

DON'T PLAY  
AROUND

Underage drinking means legal risks.  
You've got too much going for you!

Funded in whole or in part by the Illinois Department of Human Services, Division of Substance Use Prevention and Recovery through a grant from the Substance Abuse and Mental Health Service Administration.

# YOUR MEMORIES MATTER

Alcohol can make it harder to remember things.  
That's not cool!

GAME

## FIND YOUR FOCUS

Each day deserves your full focus.  
Alcohol steals attention you can't afford to lose.

NOT  
A  
GAME

## THE REAL DEAL

Most Illinois eighth graders don't think they'd be cool if they drank alcohol.
